Dear Mr Hogger

**HACKBRIDGE AND BEDDINGTON CORNER NEIGHBOURHOOD PLAN
EXAMINATION**

Reference your letter 01/DH/H&BNP dated 18 June 2018.

Thank you for your letter and clarification of procedural matters.

Please find attached a summary table, which contains our response to the questions raised in your letter.

As you are aware, Hackbridge and Beddington Corner NDG was one of a small number of groups selected as a 'front runner' in the early days of the introduction of neighbourhood planning. As such, as a group, we have experienced quite a number of ups and downs in getting to the stage we are now at. We welcome this examination and look forward to hearing from you in due course. In the meantime, should you have more questions or require any further supporting information, feel free to contact me by email as detailed above.

Yours sincerely

Julia Armstrong
Chair
