MINUTES

21 March 2019

Attending:

Danielle Reid
Norman Jones
Peter Alfrey
Julia Armstrong (note)

Apologies:

Lysanne Horrox

1. The meeting agreed that we should capitalise on the interest sparked by the Referendum, to encourage other people to get involved in the NDG. We want to agree on priorities from amongst the Community Action Plan Projects, and can encourage local residents to offer their preferences. Hopefully some would then be interested in joining the NDG.
2. It was agreed that a Community Projects workshop should be held on Saturday afternoon, 18 May. Danielle agreed to produce some publicity artwork, which Peter would put on Facebook. Julia would contact David Goymour with a view to holding the event at All Saints Church. Danielle would check whether Bedzed Pavilion would be free in case the church is not available (*Post meeting note – David has confirmed that the church is available for use*).
3. Danielle has a friend with experience of facilitating meetings; she would ask whether she would be interested in getting involved.
4. It was not known how much money the NDG currently held. Julia would contact Helena to find out. This might constrain how/where we hold the 18 May event.
5. The meeting noted that last year the AGM was held in mid-March. Julia would find out how long we could legally postpone the AGM, as it would be ideal to hold it after the May 18 event (29 May is a possible date).

6. Since there had been no updates on the Sutton Planning portal regarding the applications at Wandle Trading Estate (Redrow) or Land North of Station, Julia agreed to contact Dean James for an update (*post meeting note – no decisions have yet been made*).

Other matters

7. There is a meeting to discuss the future of Culvers Lodge at 7pm on 3 April at Bedzed Pavilion.

8. Sue Riddlestone is attending a meeting on Thursday 4th April at 4pm at Denmark Road to discuss possible improvements to the land north of Bedzed (the Ecology Park). If anyone would like to attend please let her know, she has also offered to speak with anyone in advance of the meeting.
